

Your Upcoming Forest Memorial in Flagstaff

Arrival at the forest

The address for the forest is [18218 N Hart Prairie Rd. Flagstaff, AZ 86001](#)
Please let us know if you have any questions about timing for travel.

For more information on places to stay and eat in the area, [read our blog.](#)

Important things to know

- Weather can change suddenly in the forest – we recommend layering with a warm jacket and long pants and wear comfortable, closed-toe shoes as the forest trails can be wet and steep in some places.
- The closest gasoline is located about 30 miles from the forest, south of Snowbowl so it's a good idea to fuel or charge up before heading out of Flagstaff.
- The entire forest is a non-smoking and non-vaping property. No sparks are allowed in the forest. This includes BBQs, candles, incense sticks and burning of sage. Before traveling to the forest, ensure that your vehicle is not dragging chains that could cause sparks. When you arrive, park in designated parking places only and avoid driving over grasses or underbrush. Fire safety violations can result in fines of up to \$5,000 from the U.S. Forest Service.

What to expect

After your group gathers, we'll begin by gently combining your loved one's ashes with native forest soil. You're welcome to observe or participate as you wish.

We'll then make our way to the memorial tree. Walking sticks, and UTV are available upon request.

At the tree, the memorial will last about 30–60 minutes. Benches will be available, and guests are invited to help spread ashes and sow native wildflower seeds. You'll have private time at the tree before we conclude.

Afterward, you're welcome to explore the forest.

If you have any questions please call our care team at 628-237-3922 or email care@betterplaceforests.org.

We look forward to seeing you in the forest!
